The Career Path

Advance in rank as your product sales grow.

We have created a unique career path for you to follow. As you do, you will experience personal growth and success. There are three kinds of titles in the career path: Career Titles, Paid-as Titles, and Generational Titles.

Your **Career Title** is your recognition title and it reflects the highest title you have achieved.

Your **Paid-as Title** is the title that determines the bonuses that you are paid and can change month-to-month based on your monthly title achievements.

Your **Generational Title** is the title that is used to determine whether you are a generation to your upline and who in your downline might be a generation to you.

As your business grows, you will move through three title phases – Builder, Manager, and Leader. Each phase includes increasing bonus programs.

Management Advancement Bonuses

When you advance to Team Manager, Senior Team Manager, and Executive Team Manager for the first time, you will receive a one-time bonus for each advancement. If you advance multiple titles at the same time, then you will receive the bonus for *each* title!

When you have someone in your Sales Group that advances to one of these titles and you are the first upline with an equal or higher Career Title, then you will receive a Matching Manager Advancement Bonus, provided you are also paid as an equal or higher title that month.

HOW IT WORKS:

Suppose that you advance to Team Manager in April. You will receive a one-time bonus of ₹ 8,800. In May, one of your Level 3 Independent Healy World Members, Jaya, advances to Team Manager. Her sponsor, Bhuv, has the Career Title of Executive Builder so he is not eligible for the Matching Advancement Bonus. Because you are the first person in the upline that has the Career Title of Team Manager or higher, you are eligible for the matching bonus. If you are also paid as Team Manager (or higher) in June, then you will receive the ₹ 4,400 Matching Advancement Bonus.

Dual Bonus

When you are qualified as a Team Manager or higher, you may receive the Dual Bonus on Bonus Volume in your Dual Sales Team and from your Personal Bonus Volume.

Your Dual Sales Team may consist of two Teams: a Sales Team 1 and a Sales Team 2. Each time you enroll a new Independent Healy World Member, you will choose to add them to one of those two Teams, and they will automatically be placed in the next available outside position. You may also have individuals in your upline and downline placing people in one of your Teams so your Dual Sales Team will grow through not just your efforts, but also the efforts of your entire team!

Each month, the team with the higher amount of Dual Bonus Volume (DBV) is considered your Strong Team, and the team with the lesser amount is considered your Paying Sales Team. DBV is the combination of Bonus Volume that you accumulate in the month and any available Carry-Over Volume from the previous month.

Your paid-as title determines the percentage you may earn in the Dual Bonus. This percentage will be paid on all of the DBV in your Paying Sales Team as well as any Personal Bonus Volume above 200. An equal amount of DBV will be removed from your Strong Team and any remaining DBV in that Team is considered Carry-Over Volume (COV).

TEAM 2 = SALES TEAM 1
 TEAM 4 = SALES TEAM 2
 TEAM 1&3 = OUTSIDE VOLUME

Dual Bonus

Your paid-as title also determines the amount of COV you may carry into the next month. When you are paid as a Team Manager or higher, your COV will continue to carry forward each period until it is either removed due to an equal amount of DBV that is paid on in your Paying Sales Team, is 12 months old, or exceeds the specified amount based on your paid-as title. If you are not paid as a Team Manager or higher, you do not accumulate COV.

Each title has an associated maximum earnings amount for this bonus. If your total Dual Bonus is higher than that amount, then it will be adjusted to equal the maximum earnings allowed. By qualifying higher titles, your Dual Bonus percentage, COV, and maximum earnings amount may increase, allowing you to earn more!

After your Dual Bonus is calculated, you have 29,700 DBV remaining in your Strong Team. As a Team Manager, you may have up to 25,000 COV for July so the remaining 4,700 will be flushed.

When your paid-as title is Director or higher, you may earn a Leadership Check Match on the Dual Bonus and Mentoring & Coaching Bonus earnings of Generational Executive Team Managers in your Sales Group.

A Generational Executive Team Manager (ETM) is an individual in your Sales Group that has the Generational Title of Executive Team Manager (ETM) or Executive Director (EDIR). A 1st Generation ETM means there are no other Generational ETMs between you and that individual. A 2nd Generation ETM means there is one other Generational ETM or higher between you and that individual.

The percentages and number of generations deep that you are paid on are based on your paid-as title for the month. Additionally, your paid-as title determines the maximum amount you may earn per individual match.

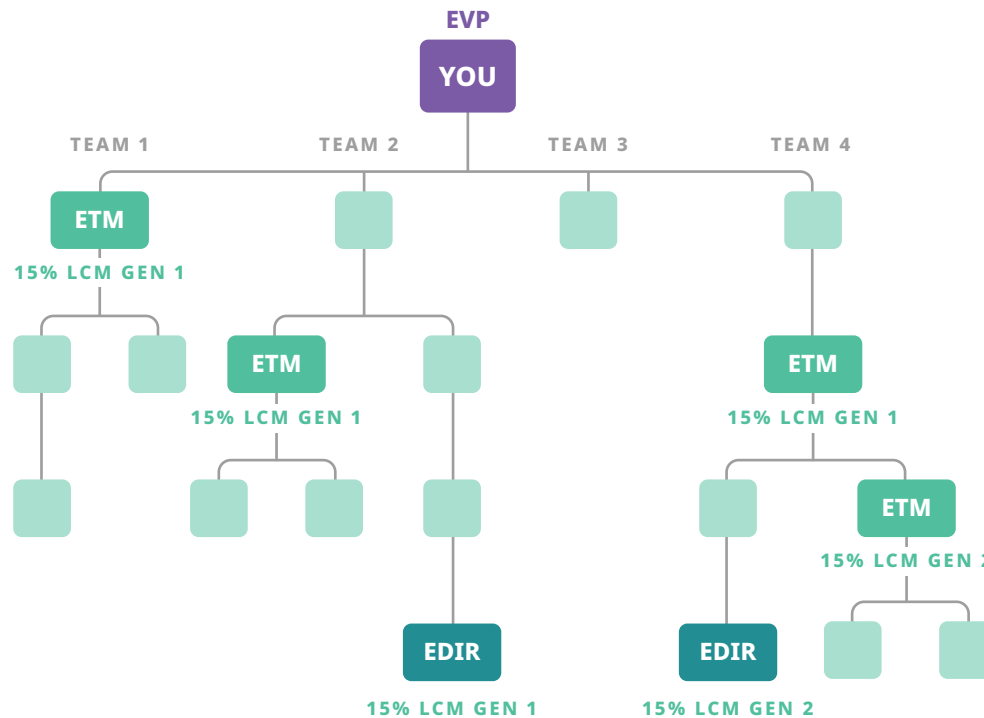

For example, if you are paid as a Director, you can earn up to 500 per Generational ETM. If you had two 1st Generation ETMs, you could earn up to 500 on each of them. There is no limit to the number of individuals that you may earn the maximum amount on.

1. Leadership Check Match (LCM)

HOW IT WORKS:

For example, you are paid-as Executive Vice President in the month. You are qualified to earn a 15% match on the Dual Bonus and Mentoring & Coaching Bonus earnings from your 1st through 4th ETM Generations, 12% match on your 5th Generation, and 10% on your 6th Generation.

You have two 1st Generation ETMs in your second Team and one in your fourth Team that you will receive a 15% Generation 1 match on. In your fourth Team, there are also two 2nd Generation ETMs that you will get a 15% Generation 2 match on. There is not a limit to the number of each generation that may exist in each Sales Team. EDIR Generations are also ETM Generations so you may be paid on those Generations in this bonus as well.

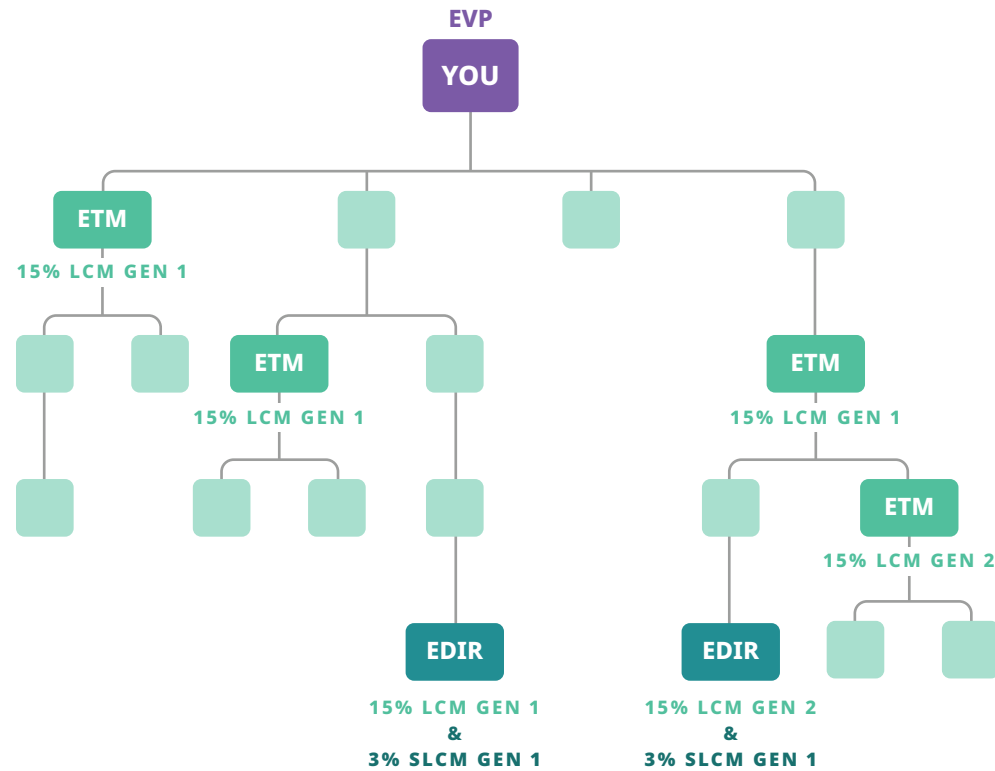

2. Super Leadership Check Match

When you are paid as an Executive Vice President (EVP) or higher, you may earn a Super Leadership Check Match on the Dual Bonus and Mentoring & Coaching Bonus earnings of Generational Executive Directors in your Sales Group.

A Generational Executive Director (EDIR) is an individual in your Sales Group that has the Generational Title of EDIR. These generations work in the same way as the ETM generations but they are based on the higher Generational EDIR title.

The number of generations deep and the percentage of earnings that you match are based on your paid-as title for the month.

PAID-AS TITLE	EVP	PRES	SPRES	EPRES
EDIR+ GEN 1	3%	4%	5%	5%
EDIR+ GEN 2		4%	5%	5%
EDIR+ GEN 3			5%	5%
EDIR+ GEN 4				5%

YOU CAN RECEIVE THE LEADERSHIP CHECK MATCH AND SUPER LEADERSHIP CHECK MATCH ON THE SAME GENERATIONAL EXECUTIVE DIRECTOR.

Glossary

BONUS VOLUME (BV)

The volume on which bonuses are paid. When a Device Direct Bonus is paid on a Device or Upgrade, the Bonus Volume will be reduced to 60% of the original BV for all other bonuses.

CAREER PATH

The Career Path is the primary mechanism for recognizing skill and competency within this plan. All Career Path requirements are based on successful building of Sales and Sales Team.

CAREER TITLE

Your Career Title is your highest title you have ever achieved. This title does not change unless you advance to a higher title.

CARRY-OVER VOLUME (COV)

When you are paid as a Team Manager (TM) or higher, you are able to have the remaining Dual Bonus Volume (DBV) in your Strong Team carry over into the next month, up to a maximum amount that is based on your paid-as title within the month.

COMPRESSION

A technique used to pay deeper in a bonus when an IHWM does not have PQV or when they do not have a specific Career Title or Generational Title. The Mentoring & Coaching Bonus, Manager Advancement Bonus, Leadership Check Match, and Super Leadership Check Match use compression. The rules of compression vary based on bonus

type.

CUSTOMER

A customer is an individual who purchases products for personal use and has not signed a Distributor agreement with the company. Customers may use the products themselves but may not resell the products to others and may not participate in the Healy Compensation Plan.

CUSTOMER SALES VOLUME (CSV)

The combined Qualifying Volume (QV) from your Customers and Members purchased program bundles and from the built in 3-month program bundle associated with devices and upgrades purchased by your customers this month or in the previous two months.

DEVICE PERSONAL VOLUME (DPV)

The total Qualifying Volume (QV) from devices and upgrades purchased by your customers and your Level 1 Independent Healy World Members (Sales Group).

DOWNLINE VOLUME (DV)

The total Qualifying Volume (QV) from products purchased by you, your customers, and all the

Independent Healy World Members (and their customers) in your Sales Teams.

DUAL BONUS OVERALL COMPANY CAP

If the total Dual Bonus earnings calculated for all eligible Independent Healy World Members exceeds 21% of the total Company Bonus Volume, then all Dual Bonus earnings will be adjusted by an equal percentage in order to ensure that all bonuses in the compensation plan may be paid as described.

DUAL BONUS VOLUME (DBV)

This volume is calculated for your Strong Team and Paying Sales Team of your Dual Sales Team Structure. Each Team will include any available Carry Over Volume (COV) from the previous month and the total Bonus Volume (BV) generated during the current month within the Team.

DUAL SALES TEAM

The Dual Sales Team follows the Dual Team Sales Group where you may have up to two teams. You may choose to place individuals that you enroll in either of your Sales Team and they will be placed in the next available outside position.

ENROLLER

When you introduce an individual to Healy and they become an Independent Healy World Member, you are considered to be their Enroller.

SALES GROUP

Consist of IHWM enrolled by you and follows the line of enrollers.

FAST START PERIOD

Your Fast Start Period is the month you enroll plus the following two months.

FLUSHING

DBV is eliminated (flushed) and not available as Carry-Over Volume (COV) when one or more of the following conditions exist:

- 1.** The Independent Healy World Member is not paid-as Team Manager (TM) or higher within the month;
- 2.** The DBV has not been paid on for 12 consecutive months;
- 3.** The DBV exceeds the maximum COV allowed, based on an Independent Healy World Member's paid-as title.

GENERATIONAL TITLE

There are two Generational titles, Executive Team Manager and Executive Director, that are given to individuals who have been paid as an ETM or EDIR (and higher), at least once every six months. These are used to determine who is a Generational Executive Team Manager and Generational Executive Director, regardless of actual monthly paid-as titles. So long as an individual has a Generational Title, the Leadership Check Match and Super Leadership Check Match may be paid on their earnings. If an individual loses their Generational Title, they may gain it back by being paid as an ETM or EDIR again.

**GENERATIONAL TITLE:
EXECUTIVE DIRECTOR**

A Generational Executive Director is an individual that has been paid as an EDIR or higher at least once within a rolling six month period (current month or previous five months). A downline Generational EDIR is an EDIR generation on which you may receive a Leadership Check Match and Super Leadership Check Match on their earnings, based on the rules of those bonuses.

**GENERATIONAL TITLE:
EXECUTIVE TEAM MANAGER**

A Generational Executive Team Manager is an individual that has been paid as an ETM or higher at least once within a rolling six month period (current month or previous five months). A downline Generational ETM is an ETM generation on which you may receive a Leadership Check Match on their earnings, based on the rules of that bonus. An EDIR generation is also an ETM generation.

**LEADERSHIP CHECK MATCH
MAXIMUM EARNINGS**

When you receive the Leadership Check Match, you may earn up to the stated maximum earnings amount per match you receive, based on your paid-as title. This amount is not the maximum earnings you may receive from this bonus but rather the maximum earnings per individual you receive a match on.

**LEADERSHIP CHECK MATCH
OVERALL COMPANY CAP**

If the total Leadership Check Match payout in a month exceeds 10% of the total company BV, then all Leadership Check Match earnings will be adjusted down by an equal percentage in order to stay within the cap.

**LEG VOLUME (LV) / (SALES) TEAM VOLUME
(TV)**

The amount of Qualifying Volume (QV) accumulated during a given month in a particular Team in your Sales Group.

LEVEL

The position an Independent Healy World Member has in your downline in relation to you. Independent Healy World Members directly below

you are your Level One. Those Independent Healy World Members directly below your Level One Independent Healy World Members are your Level Two, and so on. Customers are not considered when counting levels and do not occupy a position in your Enrollment or Dual Sales Team Group.

**NEW 1ST GENERATION QUALIFIED
(NEWGENQ)**

To advance to and be paid as a Vice President or higher, you need to have a new 1st generation at least once every 12 months (current month plus previous 11 months). A new 1st generation is considered to be an IHWM who attains the Generational Title of ETM or higher (and did not have it in the previous month) and between you and that individual at the time they attained that Generational Title, there were no other IHWMs with a Generational Title.

OUTSIDE VOLUME (OV)

The amount of Downline Volume (DV), including your Personal Qualifying Volume (PQV), that exists outside of your two largest Sales Team. The two largest Sales Team are the two Sales Team with largest amounts of total QV.

The Paying Sales Team is the Team in your Dual Sales Team Group with the least amount of Dual Bonus Volume (DBV) in the month and is the Team

on whose DBV the Dual Bonus is paid upon.

PAYOUT FREQUENCY

Bonuses have a weekly, monthly or quarterly payout frequency. The 25% portion of the Device Direct Bonus pays weekly, the Leader Pool pays quarterly and all other bonuses pay monthly.

PERIOD

Period refers to the specific time frame in which your qualifications and payouts are calculated for. In this plan, a period is equal to an actual calendar month. Six periods would be six calendar months.

PERSONAL SALES VOLUME (PSV)

The combined Qualifying Volume (QV) from your Customers' purchase, your own paid sale(s), and from the built in 3-month bundle attached to the devices or upgrades purchased by you and your Customers this month or the previous two months. This is used only by the Career Path.

PLACEMENT

When you enroll a new IHWM, you can manually place them in the next available outer most position in either of your Teams. If you enroll more IHWMs before you have manually placed your other IHWMs, the system will automatically place them. A placement can only be changed according to the requirements of the guideline manual.

PLACEMENT SPONSOR

You are the Placement Sponsor for the two IHWMs that are at the top of your Strong Team and Paying Sales Team in the Dual Team Genealogy. Similarly, the individual directly above you in that same Sales Group is your Placement Sponsor.

QUALIFYING VOLUME (QV)

Every product has both a Qualifying Volume (QV) and Bonus Volume (BV) assigned to it. QV is equal to BV but is not reduced on Devices or Upgrades that pay a Device Direct Bonus.

**ROLLING DEVICE POINTS
3-MONTHS (RDP)**

The total count of devices and upgrades that you have sold to your customers and first level Independent Healy World Members (Enrollment Sales Group) in the current month and previous two

months.

STRONG TEAM

The Strong Team is your Team in your Dual Team Sales Group with the largest amount of total Dual Bonus Volume (DBV) in the month. When you are paid a Dual Bonus, an equal amount of volume that you were paid on is removed from this Team. Remaining volume may be available as Carry-Over Volume

**SUPER LEADERSHIP CHECK MATCH OVERALL
COMPANY CAP**

If the total Super Leadership Check Match payout in a month exceeds 2% of the total company BV, then all Super Leadership Check Match earnings will be adjusted down by an equal percentage in order to stay within the cap.

UPLINE

All of the Independent Healy World Members above you in your Enrollment and Dual Team Genealogies are considered to be part of your upline.

WEEKLY BONUS PERIOD

The period from Monday 00:00 (Central European Time, CET) to Sunday 23:59 CET.
